# Kate writes.....

Dear Friends,

As we bid farewell to Lent and welcome the vibrant hues of Spring, I pray we would all gain a sense of joy and renewal.

The 40 days of Lent, mirroring Jesus' wilderness experience, invited us to reflect, repent, and draw closer to our faith. In the communal spirit of our parish, we shed burdens, surrendered shortcomings, and embraced divine grace. The Lenten journey deepened our understanding of faith and strengthened our community bonds.

One of the joys of having such an early Easter is that we are emerging from the penitential season of Lent in time to welcome Spring. Spring is often used as a metaphor for spiritual resurrection. Just as Jesus rose from the tomb, we too rise from our challenges, refreshed, and renewed. Spring's vibrant colours remind us of the promise of growth and renewal, symbolizing the possibility of a fresh start. Our launch of Orchard Church later this month will celebrate both the spiritual and environmental significance of Spring.

We'll be dead-hedging, and planting wildflower seeds to offer sanctuary and food to God's creatures, so that new lives can flourish.

The Gospel of John compares faith to a grain of wheat falling to the ground, dying to produce much fruit (12.24). During Lent, we offer sacrifices so that our lives can become fertile ground for spiritual growth, paving the way for the blossoms of hope and joy in our lives.

Let us see ourselves as seeds of faith, embracing vulnerabilities, and allowing God's grace to nurture our spiritual journey. How can we as Christian disciples in the parish, offer sanctuary and nourishment so that new lives of faith can flourish?

One way is to explore our faith in community. Our Confirmation candidates are mid-way through their transformative journey of learning and exploration. Their dedication to understanding Christian life is inspiring, and we are talking about ways of encouraging further growth as a learning community of faith. There may have been mention of pub meetings ...

Do you have any thoughts you would like to share with the ministry team?

Please do surround our Confirmation group with prayers as they deepen their connection with God and the community, and as they prepare for their Confirmations on 19th May.

In the spirit of Spring and new beginnings, I invite all members to explore their faith more deeply. Whether a seasoned traveller on the spiritual path or someone curious to learn, there is a place for you to grow and flourish further. Attend events, join study groups, or reach out for a conversation (- you should know by now that two of my most favourite things are getting to know you better over coffee, and a good chat about God stuff!). Let this season be an opportunity for your faith to flourish, just like the Spring blossoms. Perhaps you want to explore something specific, but we haven't thought of it? Perhaps you fancy having a go at hosting, or leading a group? Or perhaps you wonder if you could serve the church in a different way – have you thought about having a go at reading, supporting baptisms, intercessing, pastoral visiting, mission, serving on a committee, or setting up the communion table? These are all signs of maturing in faith, not a sign of ego. If you think you are being nudged to grow but need some support, please tell us – we are faithful, prayerful Christians, not clairvoyants!

As we move into Easter, let's carry the lessons of Lent in our hearts. May the warmth of Spring remind us of the love surrounding us and God's gift of hope within. Our community is a source of strength, support, and celebration. Extend your hands to those in need, and let our parish be a beacon of love and compassion. This is how our congregations will grow and flourish. I pray that this month will be for you, a season filled with the joy of resurrection, the blessings of Spring, and that our journeys of faith will be full of adventure and new growth!

In peace and love, *Kate*

## **Annual Parochial Meeting**

DCC AGMs have now been held. The Annual Parochial Church Meeting (APCM), where wardens and PCC members will be appointed, the parish accounts for the year presented and reports from all aspects of our parish life received, will take place on Monday 29th April at 7pm in St Paul's Hall.

Now is also a good time to check whether or not you are on the Electoral Roll and whether your details are correct (This is a list of people who are eligible to vote at the Annual Meeting and also acts as a 'membership' list – those who consider themselves to be part of this church)

Please inform Chris Boddy of any amendments or if you want to be added. This should be done by 7th April.

It is hoped that everybody will take the opportunity to come along on the 29th and to find out more about what has been happening in the parish.

## St Paul's Church Hall

In 2023 we were fortunate to attract additional lettings, resulting in income being some 20% higher than in 2022. The Scunthorpe branch of u3a now hold their main monthly meetings in the hall, and the u3a Yoga group (Qi Gong) twice a month.

The Scunthorpe Male Voice Choir rehearse each Thursday evening in the small hall.

Unfortunately, we had some heavy expenditure in the form of extensive repairs to the kitchen roof which had been leaking badly during heavy rain. Despite this, however, we managed to break even financially.

Further expenditure is looming due to the need for a new central heating boiler. This is going to cost the best part of £20,000. We intend to apply for grant funding for the major part of the cost.

We urgently need more people on the Hall Committee! We are now down to 4 people, so if you like to get involved in the running of the hall please put your name forward at the forthcoming APCM elections. The hall is a vital part of the local community, with a good reputation as a comfortable and well-equipped location, and it is the responsibility of the hall committee to ensure that it stays that way.

There are further major tasks to tackle once we have sorted out the boiler – enhancement of the kitchen, energy conservation – and we need people who have the skills and knowledge to help with the planning and design of these projects.

If you are interested in joining the committee, but would like more information, please contact me.

### **Men's Breakfast**

Men's Breakfast will take place on **Saturday, 20th April** in the Parish Hall from 9am to 10am. Please look out for the sign-up sheet which will appear in each church before this date and add your name (or give Kevin a ring on 852079) if you would like to come along. Don't forget to invite a friend!

### **PARISH PLANT SALE on THURSDAY 23<sup>rd</sup> MAY.**

Don't forget the labels, I found pencil was as good as anything as a marker. I found some lolly sticks at the Range and am using them this year.

**Don't forget us if you have an allotment as many gardeners like to grow a vegetable or two in part of their border. Any spare seedlings would be appreciated.**

As you know John has taken over the long window sill in the conservatory for his model railway – he is building it up from scratch. The whole room is a shambles as we also have documents from the church office in there. These are for us to browse through to try to find items of interest for the centenary nostalgia timeline of Ashby and St Paul's Church.

Obviously, the model railway is pure relaxation. Bramble watches the train as it passes back and forth, she can hear it and it is also at her eye level. I can see a potential disaster happening there.

What has this to do with plants? Well, it does mean I have less and less space on my window sills to grow seedlings...so I am relying on you to do your bit.

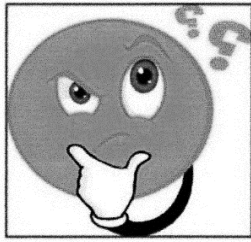

Don't forget there will also be produce for sale like plum bread, cakes, marmalade and may be seasonal vegetables. Do come and buy at the plant sale.

Happy gardening!
